

FRANCECOLE NETWORK IS LOOKING FOR ANIMATORS

Our 3 schools, both bilingual and Montessori, welcome children aged 3 to 12 years old every evening in After-School from 4:00 pm to 6:30 pm and on Wednesdays and holidays all day long. They are located in Paris (9th arrondissement), Boulogne-Billancourt (92) and Rueil-Malmaison (92).

Our philosophy: to develop the children's confidence and autonomy while respecting their individual rhythm and needs. 3 words: curiosity, confidence and creativity.

We welcome groups of 10 to 30 children, depending on the school, in an adapted, secure environment with an independent outdoor space.

We are looking for experienced, passionate and caring English-speaking animators. We expect our animators / activity leaders to carry out, independently and in collaboration with their team, their own animation project (pedagogical, educational and playful) with the aim of the children's development.

If you like to participate in the development of children, we are waiting for you!

You have a solid experience of at least 3 years working with groups of young children and have a diploma in the field of childhood. You are a native-speaker English.

Our network takes care of you!

Group mutual insurance and provident insurance and participation in transport tickets.
